

ST. AUGUSTINE, Fla. Episcopal Church.

By Appointment.

EPISCOPAL CHURCH. Trinity Episcopal Church, at the corner of St. George and King Streets, is the oldest Episcopal church in Florida, the present parish having been organized in 1821. The first permanent church building was completed in June, 1831, and from time to time alterations were made until 1902 when it was entirely remodeled. It is now of cruciform shape with several handsome memorial windows, and has a seating capacity of about 500. The site is historic, a mission church having occupied it during Eustis's possession of Florida.
